One of Hong Kong's most endearing colonial landmarks is The Peninsula Hong Kong. Originally opened in 1928, the fleet of bottle green Rolls Royces make an impressive statement as you approach the hotel. High tea taken in the lobby to the strains of a string quartet is an institution, the Felix Bar serving ice cold cocktails is one of the most famous in town and the stylish guestrooms command magnificent views of Victoria Harbour and Hong Kong Island beyond. To arrive in true style, book a helicopter transfer direct from Hong Kong airport.
